OTTER ISLAND - TABLE

Raft Table Assembly Instructions:

1. Put table leg (item 4) into hole on backside of table (item 1).
2. Align hole in table (item 1) with small hole in leg (item 4).
3. Put 4 inch screw (item 5) through hole in table (item 1) and leg (item 4) push all the way through.
4. Put nylock (item 2) nut on screw (item 5).
5. Push snap pin (item 3) into leg (item 4) until pin pops out of hole in leg.
6. Insert table into raft using flat position for locking table and push into angled area to collapse table.

Tools Required:

2- ½ inch wrenches
